

Rock Candy Life

ROCK CANDY LIFE is a venture based on bringing two ideas together: Eco + Design. We are a company with a vision for high-end design and keeping it green. We believe in the development of affordable, attractive yet earth-friendly design. And each of our shower curtains is created with this mentality. Here's The Eco Breakdown: 100% Recyclable, Chlorine & PVC free, Decreased waste (no need for a liner). Like what you read? Keep browsing and find the perfect "clean" design for your décor!
